

“Old. Young. Just Words.”  
~Jack Benny

October 16, 2017

Dear Faithful Friends:

It's always a thrill for us to put a significant challenge in front of our dedicated donors, but once again I was positively overwhelmed by your remarkable response to our call to raise \$55,000 for a new bus to transport our beloved participants.

Within a matter of just a few short weeks, the checks and pledges came pouring in, and we quickly reached our goal, allowing us to purchase a sparkling and beautiful new bus.

It is already in service and many of our participants are now enjoying a fresh and comfortable ride from their residence to the front door of The Little Red House, where they will experience a day of compassionate care, a healthy lunch and snacks, and life-enriching socialization.

We're very proud of the new wheels (and extremely grateful for the respite from high maintenance fees required to keep our old bus road-worthy). I'm also proud to be leading an organization that is so deeply and widely valued by our community.

As always, I thank you most sincerely for your generous hearts and hands when it comes to the needs of The Little Red House. You kept us moving forward as the premier adult day care service for so many in Ottawa and Muskegon counties.

You've taught me so much about living in a community with such a loving and generous spirit.

Blessings to you all,

Jody Herrelko, M.P.A.  
Executive Director

Board President Jim Keating and his sister Karen Metcalf board our NEW bus for the "inaugural ride!"

*Thank you!*
